---

Overall, how would you rate the care you received while in hospital?

- Very good
- Good
- Neither good nor poor
- Poor
- Very poor

---

Did you feel you were treated with respect and dignity while you were in hospital?

- Yes always
- Yes sometimes
- No

---

Did the health professionals explain things in a way you could understand?  
(please think about all the health professionals who treated or examined you in the hospital, including doctors, nurses and others).

- Yes, always
- Yes, sometimes
- No

---

I was involved as much as I wanted in making decisions about my treatment and care?

- Always
- Mostly
- Sometimes
- Rarely
- Never

---

Thinking about when you left hospital, were you given enough information about how to manage your care at home?

- Yes completely
- Yes to some extent
- No, I was not given enough
- I did not need this type of information

---

Thinking about when you left hospital, were adequate arrangements made by the hospital for any services you needed?

- Yes completely
- Yes to some extent
- No, arrangements were not adequate
- It was not necessary

---

Now I will ask you a few brief and simple questions about your own health state today. There are a number of answer options per question which I will ask you to choose from.
