

Blood and Marrow Transplant Networks

Executive Council Co-Chairs

Dr Annette Trickett
Principal Scientist
SEALS

Dr John Kwan
Haematology Staff Specialist
Westmead Hospital

Bio

The BMT Network supports a broad work-plan that includes a portfolio of projects, the oversight of a centralised Quality Management System and Infectious Diseases Management Service, a calendar of education and training activities, and, other events, which promote the opportunity to communicate current practice, discuss issues, achievements, and share ideas.

Laboratory Working Group Chair

Helen Tao
Principal Scientist
Royal Prince Alfred
Hospital

Bio

Laboratory Work Group supports the facilitation of best practice across all BMT Laboratories, advancing the 'one service on multiple sites' principle, determining and implementing common protocols and practices, and providing a forum for BMT Scientists to have input into the BMT Network.

Long Term Follow Up Co-Chairs

Prof. Ian Kerridge
Haematology Staff
Specialist
Royal North Shore Hospital

Dr Peter Shaw
BMT Program Director
The Children's Hospital at
Westmead

Bio

The purpose of the LTFU working group is to bring together professionals, consumers and partners to design and drive the delivery of high quality, evidence based care for survivors of BMT to optimise their health and reduce the adverse late effects of BMT.

Nurse & Apheresis Co-Chairs

Gemma Dyer
eviQ Content Editor
Cancer Institute

Jody Gough
Clinical Nurse Specialist 2
Central Coast Cancer Services

Bio

The Nurses and Apheresis group is committed to a partnership with health care professionals and consumers to provide access to the highest quality Nursing Care for all patients requiring haematopoietic stem cell (HPC) Transplants in NSW through collaboration of ideas and development opportunities.

Pharmacy Users Group Chair

Julian Lindsay
BMT Pharmacy
Royal North Shore

Bio

The Pharmacy User's Group aims to ensure that individuals from different aspects of the transplant process are brought together, and are able to share experiences; whilst meeting FACT's requirement for further education.
