

Co-design team member readiness assessment

Choose the option that best describes you:

	Strongly Disagree	Disagree	Unsure	Agree	Strongly Agree
I am enthusiastic about the co-design project and recognise change is needed					
I am open to learning new ways of enabling change					
I have prior experience working in other co-design projects					
I have prior experience with the experience-based co-design tools and framework					
I have good time-management skills					
I am willing to make the time and I have the energy required for this project					
I am willing to share my lived experiences and work with a mixed group of people to enable change (<i>person with lived experience</i>)					
I am willing to leave my professional role behind and work with a mixed group of people to enable change (<i>staff member</i>)					
I enjoy learning new things that make me think differently about a project and myself					
I am generally a positive and optimistic person					
I am not in a therapeutic relationship with any of the team members
