

IFEM online event – ‘Delivering Emergency Medicine Education without Classrooms’ on 28 JANUARY 2021 8.30AM – 10.30AM UTC

IFEM, together with the Society for Emergency Medicine India and the Taiwan Society of Emergency Medicine, are excited to offer this online event to emergency medical care providers across the globe.

Join us to hear eminent emergency medicine educators and a panel debate provide a worldwide perspective.

Topic 1: Educational Culture

Speaker: A/Prof Heike Geduld, South Africa

Topic 2: Flipped Classroom and FOAMEd

Dr Gregor Prosen, Slovenia

Topic 3: Low-fidelity Sim

Dr Nemat Alsaba, Australia

The event will be recorded and available to view for 6 months.

CPD certificates will be issued post-attendance to those completing more than 50% of the session.

Registration to the event is free. Please consider a donation to help us cover costs of future events.
